

Education 2021— Preparing Kids for a Future We Can't Describe

**Convocation on Public Education
Friday, March 28, 2008**

Keynote Speaker

David Warlick, a 30 year educator, has been a classroom teacher, district administrator, and staff consultant with the North Carolina State Department of Public Instruction. For the past ten years, Mr. Warlick has operated The Landmark Project, a consulting and innovations firm in Raleigh, North Carolina. His web site, Landmarks for Schools, receives more than a half-million visits a day. His site offers some of the most popular teacher tools available on the internet. Mr. Warlick is also the author of three books on instructional technology and 21st century literacy and has spoken to audiences throughout the U.S., Canada, Europe, Asia, and South America.

Wrap-up
Houston — What I Hear You Saying Is ...

David Warlick

"The principle goal of education is to create [people] who are capable of doing new things, not simply of repeating what other generations have done."

-Jean Piaget
